Show and Tell: Parent Letter

Send home at the start of your letter-of-the-week unit

Dear Families,

Our class is starting a Show and Tell program tied to our letter-of-the-week learning! Each week we focus on one letter, and your child is invited to bring one small item from home that starts with that letter.

Our first Show and Tell day is: _____
This week's letter is: _____ Our day of the week: _____

How you can help at home:
• Help your child choose ONE item they can carry and explain in 2–3 sentences.
• Practice together: "My item is ___. I chose it because ___."
• Please leave valuable, fragile, or living things at home.

Some weeks we will have a theme (colors, shapes, textures). I will send the theme home in advance so you have time to prepare together.

Thank you for making learning fun!

Warmly,

_____
